WOMEN TAKE PUCK TITLE

The Concordia women's hockey team capped off a brilliant 1986-87 season last week by sweeping Bishop's/Champlain in the Quebec Intercollegiate Women's Hockey League (QIWHL) playoff championship series.

Concordia blanked Bishop's/Champlain, a team composed of players from Bishop's University and Champlain College in Lennoxville, 6-0.

Head Coach Les Lawton and his assistant Julie Healy guided the team to an unblemished 16-0 record versus conference opponents this year.

Leading the way was defencewoman Therese Brisson, a Dollard des Ormeaux native, who surpassed the 100 point plateau in her rookie season.

ZILBERMAN NAMED OLYMPIC COACH

Victor Zilberman, who just more than a week ago guided the Concordia team to an unprecedented fourth consecutive Canadian Interuniversity Athletic Union (CIAU) National Wrestling title, has been named head coach of the Canadian Olympic Team which will travel to Seoul, Korea for the 1988 Summer Games.
